Requirements for the presentation of abstracts

Only scholarly theses on the subject of the conference will be accepted for publication.

The abstract should be 2 to 4 full size A4 pages, executed in Microsoft Word editor (in the format * .doc), font - Times New Roman, size – 14 pt, without compression of the text and word transference, line spacing - single, alignment for width, indentation - 1.25 cm, fields on all sides – 2.0 cm. Circuits are placed in the text as objects (Fig. 1). All figures and tables should be named and numbered.

Lists may, if necessary, be given inside the text. Before listing, put a colon. Before each position of the list it is necessary to put a small letter of the Ukrainian alphabet with a bracket (for example, "a"), the first level of detail). Arabic numerals with a bracket (second level of detail) should be used to further detail the list.

The title of theses is printed in capital letters, in bold, in the center. Below the right side, after one interval, the initials and surnames of the authors in lowercase letters in bold type; under them - position, scientific degree, academic rank, organization name and city in normal font.

The list of used information sources is made in accordance with DSTU 8302: 2015 and is provided at the end of the manuscript. The reference in the text to the source is indicated by the serial number in square brackets.

The electronic version of abstracts is stored in the format * .doc (MS Word 97/2003), which should be named after the first author's name and the serial number of the thematic direction of the conference, for example: Krutko 1.doc (first author's name – Krutko, thematic area of the conference 1)
