**1st INTERNATIONAL SCIENTIFIC-PRACTICAL
CONFERENCE
«MAJOR ASPECTS OF EXPERT AND EVALUATION
ACTIVITIES»**

November 27-28, 2019

**Starobilsk – Poltava
Ukraine**

DEAR COLLEAGUES!

**Organizing Committee invites you to contribute to the
1st INTERNATIONAL SCIENTIFIC-PRACTICAL CONFERENCE
«MAJOR ASPECTS OF EXPERT AND EVALUATION ACTIVITIES»,
November 27–28, 2019
to be held at the Poltava Scientific-Research Experimental Forensic Center
Ministry of Interior of Ukraine, Poltava, Ukraine**

Thematic areas of the conference:

1. Commodity aspects of expert and evaluation activities.
2. Identification in expert and evaluation activities: theory and practice
3. Quality, safety and problems of revealing falsification of goods and services.
4. Comparative testing of goods and services.
5. Expert studies of goods and services.
6. Professional competence formation in commodity experts' and appraisers training.

Conference languages: Ukrainian, Russian and English

TO CONTRIBUTE TO THE CONFERENCE

you need to send to the conference organizing committee

- 1) completed conference registration form (enclosed) – **deadline for submission is November 15, 2019;**
- 2) copy of payment details – **deadline for submission is November 15, 2019;**
- 3) electronic version of a paper – **deadline for submission is November 15, 2019.**

**SUBMITTED PAPERS NEED CONFORM TO THE FOLLOWING
SPECIFICATIONS**

Only scientific papers relevant to the conference topics will be accepted.

Papers need to be 2-4 complete A4 pages in length, typed with the help of *Microsoft Word* (format *.doc), with the use of type size point 14, Times New Roman, without text compression and wordwrap, with the use of 1.0 spacing and alignment by width, indentation – 1.25 cm, all the margins should be 2.0 cm. Schemes are placed in the text as objects (see Figure 1). All diagrams, drawings and tables should be named and numbered.

Lists, if necessary, may be invoked within the text. Before the list is a colon. Before each position of the list should be put lower case letter of the Russian alphabet with a bracket (eg “a”), the first level of detail. For further details of the lists Arabic numerals with a bracket (the second level of detail) should be used.

EXAMPLE.

For the object of study the interstate standards [1] provides the following properties:

- a) Reliability:
 - 1) durability;
 - 2) preservation.

The title of the paper should be capitalized, given in bold, and centered. Below to the right, single-spaced – initials and names of the authors in small letters in bold type; under them – position, academic degree, title, organization name and the city in normal font.

References should be presented at the end of the manuscript and follow the all-Union State Standard 8302:2015. References in the text should be given with square bracketed identifiers.

Paper electronic version should be saved in format *.doc (MS Word 97/2003), and headed with the family name of the first author and index of the conference topic, e.g. Petrenko_1.doc (the family name of the first author is Petrenko, conference topic is 1.Theoretical and methodological foundations of commodity expertise).

Attention! Abstracts are published in author's edition. The Organizing Committee reserves the right to reject materials, if they do not comply with the thematic areas of the conference, organised with violation of the above mentioned requirements, were sent after November 15, 2019! Conference papers will be available on the repository: <http://dspace.luguniv.edu.ua/xmlui/>
