To the Rector of the University of Lodz
Pani Elżbieta Żądzińska

Dear Pani Rector!

In accordance with the Framework Agreement on Cooperation between the University of Lodz (UŁ) and the State Institution "Luhansk Taras Shevchenko National University" (LNU) we offer to deepen the implementation of bilateral academic mobility programs between our institutions: exchange of undergraduate and graduate students in the context of realization of the educational process.

The basis of such relations can be formed upon the fruitful activity of the Research and Scientific Cooperation Center: Poland – Ukraine, created in 2016 (Chairperson – dr hab. Beata Glinkowska-Krauze, prof. UŁ) on the basis of the Department of Management of the UŁ (Head – dr hab., Tomasz Czaplą, prof. UŁ) and the Department of Economics, Marketing and Entrepreneurship of the LNU (Head – prof. Viacheslav Chebotarov, visiting professor of the UŁ in 2016-2020 academic years).

For the second semester of the 2021-2022 academic year to participate in the academic mobility program from the Ukrainian side, we ask you to admit on the free of charge basis graduate student of the Department of Economics, Marketing and Entrepreneurship Maria Viryutina (in the amount of three ECTS credits). From our side we will be glad to accept graduate students from the Polish side (including those studying in the UŁ under the ERASMUS+ program; for them the chosen discipline by the teacher can be duplicated in English and Polish).

In the context of an aggravated epidemiological situation and an Anti-terrorist operation – Joint Forces Operation in eastern Ukraine (LNU is a university evacuated from occupied Luhansk), mobility exchange in 2021-2022 academic year we suggest to conduct in on-line mode what will not lead to financial costs for both participants of the bilateral academic exchanges and for our universities.

The coordination of realization of the academic mobility program between the UŁ and LNU on the Ukrainian side can be assigned to the Head of the Department of Economics, Marketing and Entrepreneurship of the LNU, the Vice-Chairman of the Research and Scientific Cooperation Center: Poland – Ukraine V. Chebotarov.
