MODERN SCIENCE AND EDUCATION: STATE, PROBLEMS, PROSPECTS III INTERNATIONAL SCIENTIFIC AND PRACTICAL CONFERENCE

March 20-21, 2023

Dear ladies and gentlemen!

We invite you to participate in

**III INTERNATIONAL SCIENTIFIC AND PRACTICAL CONFERENCE
"MODERN SCIENCE AND EDUCATION: STATE, PROBLEMS, PROSPECTS"**

The conference will be held on March 20-21, 2023

in the State Institution «Luhansk Taras Shevchenko National University» under the initiative of the Educational and Scientific Institute of Trade, Service Technologies, and Tourism.

MAIN TOPICS OF THE CONFERENCE:

1. Innovations in the system of modern education and science.
2. Actual problems of the development of professional and technological education.
3. Applied materials science and innovative technologies in the field of transport.
4. Innovative technologies for the agricultural, processing, and food industry.
5. Entrepreneurship, trade: the theoretical and practical development vector.
6. Management of safety and quality of goods and services.
7. Customs regulation of the market of goods and services.
8. Tourism in the light of sustainable development and innovation.
9. Hotel and restaurant business: potential, trends, and strategic directions of development.
10. Economics and finance of sustainable development in the circular economy.

PARTICIPATION IN THE CONFERENCE INCLUDES:

- remote participation in the discussion of problematic issues on the subject of the scientific directions of the conference using the communication software of the ZOOM platform;
- publication of theses (2 to 4 pages) in the electronic conference proceedings, which will be assigned UDC, ISBN, and DOI;
- conference participants will receive a certificate.

PARTICIPATION IN THE CONFERENCE IS FREE OF CHARGE.

To participate in the conference, it is necessary to send to the address of the organizing committee luginiv.ua.conference@gmail.com before 15 March 2023:

- the conference participant's application (the sample is attached);
- theses of the report that are designed per the proposed requirements (the sample template is attached).

APPLICATION OF A PARTICIPANT

of the 3rd International Scientific and Practical Conference

"MODERN SCIENCE AND EDUCATION: STATE, PROBLEMS, PROSPECTS"

	In English	In Ukrainian
Name of the author (co-author)		
Academic degree, academic title		
Full name of the educational institution, (organization) represented by the conference participant		
Position		
Title of the theses		
The number and name of the topic of the conference, in which the materials will be presented		
Mobile phone number		
E-mail		

Official languages of the conference: Ukrainian, Polish, English.

Requirements for the design of materials

The volume of theses should be 2-4 full A4 pages, created in Microsoft Word (in *.docx format), font – Times New Roman, size - 14 pt., without text compression and word-wrap, line spacing – single, width alignment, indent – 1.25 cm, all margins – 2 cm.

The structure of the design of materials

The title of theses is capitalized, given in bold, and centered. Below on the left side, after one interval – the name and surname of the authors in small letters in bold font; below them – the position, scientific degree, academic title, organization name, country, and city are in normal font. After the name of the city, from the next line (aligned to page width), an abstract and keywords are placed, in Ukrainian and English.

The abstract should be no more than 2-4 lines. In the abstract, it is necessary to substantiate the relevance of the research, indicate its purpose, and the main results obtained by the author(s) personally. Keywords are 4–7 words in the nominative case. After the keywords, the main text of the theses is aligned to page width.

The electronic version of abstracts of reports is stored in *.docx (MS Word) format, which should be named by the first author's last name and the serial number of the topic of the conference, for example, Kravchenko_1.docx (the first author's last name is Kravchenko, Topic 1 of the conference).

ATTENTION! The materials are printed in the author's edition in the languages of the originals, for the presentation, content, and authenticity of which the authors are responsible.
