## REQUIREMENTS FOR THESES OF THE ARTICLES

- **The text is typed** in Microsoft Word format (\*.docx, \*.rtf) with pen No. 12 (set – Times New Roman) on A-4 paper; margins (top and bottom – 2.5 cm, right – 2.5 cm, left – 2.5 cm); upper footer - 1.25 cm, lower - 1.5 cm; line spacing – 1.0, paragraph indent – 1.25 cm.
- **Volume** – 2-4 pages A4.
- **The title of the publication** is given in the middle of the line in capital letters, the font is bold.
- After the title, in the upper right corner, **information about the author of the article** is provided: surname, first name, scientific degree, academic title, position, full name of the institution (educational institution, organization), city, country, e-mail address (from the next line).
- Below (for scientists) – **ORCID ID** (a personal code that must be obtained by filling out the form at the link: <https://orcid.org/register> ) in the format <https://orcid.org/0000-0000-0000-0000>
- **Students** write a paper in co-authorship with a scientific supervisor (no more than 3 co-authors) specifying the surname, first name, course of study, specialty, level of higher education, institution of higher education, city, country, e-mail address.
- **The content of the article:** setting the problem; analysis of the latest research and publications; selection of previously unresolved parts of the general problem; definition of the research methodology; presentation of the main research material with a certain justification of the obtained scientific results; conclusions from this study and prospects for further research in this direction. **All the listed elements must be stylistically and graphically presented in the text.**
- References to sources are given in square brackets [1] [1, p. 10], [1, p. 10; 2, p. 20].
- Tables and other non-text objects should be signed with the specified source and placed in the center of the text. Drawings are grouped on the canvas as a single editable graphic object.
- The bibliography and, if necessary, notes are submitted at the end of the article after the heading "List of used literature" / "List of used sources" (without a colon) in the order of citation and are drawn up in accordance with the requirements of DSTU 8302:2015

## REQUIREMENTS FOR DESIGNATION OF ARTICLES

- The text is typed in Microsoft Word format (\*.docx, \*.rtf) with pen No. 12 (set – Times New Roman) on A-4 paper; margins (top and bottom – 2.5 cm, right – 2.5 cm, left – 2.5 cm); header - 1.25 cm, bottom - 1.5 cm; line spacing – 1.0, paragraph indent – 1.25 cm.
- Volume – up to 18,000 printed characters.
- The title of the publication is given in the middle of the line in capital letters, the font is bold.
- After the title, in the upper right corner, information about the author of the article is provided: surname, first name, scientific degree, academic title, position, full name of the institution (educational institution, organization), city, country, e-mail address ( from the next line).

- Below (for scientists) – ORCID ID (a personal code that must be obtained by filling out the form at the link: <https://orcid.org/register> ) in the format <https://orcid.org/0000-0000-0000-0000>
- Students write a paper in co-authorship with a scientific supervisor (no more than 3 co-authors) specifying the surname, first name, course of study, specialty, level of higher education, institution of higher education, city, country, e-mail address.
- Content of the article: statement of the problem; analysis of the latest research and publications; selection of previously unresolved parts of the general problem; research methodology; presenting main material; conclusions and prospects for further processing of the problem.
- Before the text of the article, 2 annotations (in Ukrainian and English), author's surname, first name, title of the article and keywords (5-8 terms) are submitted.
- References to sources are given in square brackets [1] [1, p. 10], [1, p. 10; 2, p. 20].
- Tables and other non-text objects should be signed with the specified source and placed in the center of the text. Drawings are grouped on the canvas as a single editable graphic object.
- The bibliography and, if necessary, notes are submitted at the end of the article after the heading "List of used literature" / "List of used sources" (without a colon) in the order of citation and are drawn up in accordance with the requirements of DSTU 8302:2015

Only scientific publications on the subject of the conference, which have not been made public before, are accepted for publication. All works will be checked for plagiarism (work that does not pass the check will not be printed!).

The electronic version of the publication is stored in the \*.docx format, which should be called the serial number of the thematic area of the conference and the surname of the first author, for example: 1\_Korinska.docx (1 – thematic area of the conference; Korinska – the surname of the first author).

**ATTENTION!** Materials are printed in the author's editorial office in the languages of the originals; the authors are responsible for the presentation, content and authenticity of these.

The organizing committee reserves the right to reject material that does not correspond to the thematic areas of the conference, is designed in violation of the above requirements, and is sent after the deadline for acceptance of works.

The materials of the conference will be posted on the website of the university repository at the following link: <http://dspace.luguniv.edu.ua/xmlui/>
